# Way Forward

---

# Way Forward

---

- Convergence - Work in convergence not in isolation which cannot lead to achieve any of the goals (Need to focus on Integrated Implementation)
- Collaborations – knowledge, technology, capacity building, partnership with peoples
- Technology intensive - mobile based, clouding, artificial intelligence
- Innovative – space for frugal innovations, experimenting
- Monitoring & Evaluation – inter-departmental mechanisms to measure outcomes
- Institutional development
- Financial Management – Dovetail funds / programs for achieving SDGs, CSR, entrepreneurships
- Mapping of scheme budget outlay with SDGs and outcome indicators

**Work in convergence not in isolation which cannot lead to achieve any of the goals**

# Way Forward for Departments

---

- Align departmental Vision (15 years) to SDGs & Bangaru Telangana
- Adopt comprehensive approach
- Design long-term strategic convergence
- Reorient the programs to address critical performance indicators by linking to SDG targets
- Prepare comprehensive Vision Document embedded with short term Action Plans for next 3-years
- Align Department's monitoring goals / targets / indicators to SDGs & develop internal systems to collect and monitor the same
- Set up specific SDG Monitoring Unit at every department with a nodal officer responsible.
- Develop an Operational and M&E Framework

Thank you
