DRAFT NOT FOR CIRCULATION

## Vision

# Sattat, Saksham aur Sampann Moradabad OR Economically Robust, Progressive and Smart Moradabad

### Overview

Moradabad was established in 1600 by Murad, the son of the Mughal Emperor Shahjahan. Moradabad is situated at a distance of 167 km (104 miles) from the national capital, New Delhi, on the bank of River Ram Ganga (a tributary to the great Ganges). Moradabad district lies between 28° 20' and 29° 15' North Latitude and 71° 4' and 71° 6' East Longitude in a rectangular shape. It is bounded by tarai region of district Udham Singh Nagar and district Bijnor in the north, district Budaun in south, district Jyotiba Phule Nagar in west and district Rampur in the east. The average height of the district is 284 mt above sea level. The city is famous for its huge export of brass handicrafts to North America and Europe, thus, it's called 'Brass City' or Peetal Nagri.

The district is administratively divided into 4 tehsils, Moradabad, Kanth, Bilari and Thakurdwara. For implementation of development scheme the district is divided into 8 development blocks, Moradabad, Mundapandey, Bhagatpur Tanda, Bilari, Kundarki, Dilari, Chajlet and Thakurdwara. Total area of the district is 3718 Sq. Km. The rural area covers 3569.7 Sq. Km. and urban recorded 148.3 Sq. Km ([http://censusindia.gov.in/2011census/dchb/0904\\_PART\\_B\\_DCHB\\_MORADABAD.pdf](http://censusindia.gov.in/2011census/dchb/0904_PART_B_DCHB_MORADABAD.pdf)). There are 1017 Gram Panchayats and 1166 revenue villages with 965 inhabited villages and 201 uninhabited villages in the district. In urban area there are 10 statutory towns. Statutory Towns comprise of 02 Nagar Palika Parishad and 04 Nagar Panchayats. The population density is 1284 person per Sq. Km.

Moradabad is a major industrial city and export hub. Its handicrafts industry accounts for more than 40% of total handicraft exports from India.

### Physiography

On the basis of geology, soils, topography, climate and natural vegetation, the district is divided into the following Sub-micro regions.

**Moradabad Terai:** This region is situated on the northern part of the district covering small portions of Thakurdwara and Moradabad tehsils. Its extent is from west-east and slopes towards south. There are numerous streams, which originate from Nainital hills and drain in this tract. These streams are torrential and have wide beds.

**Upper Ramganga Plain:** The region is situated in the north-eastern part of the district covering mainly Thakurdwara and Moradabad tehsils and partly Bilari tehsil. Physical characteristics of this belt are similar to that of terai. There are numerous streams flowing in this belt these streams originate from the nearby district of Nainital. Some streams originate in this region itself. Most of the tributaries are non-perennial but during rainy season they swell in enormous proportion. Besides Ramganga, other streams are Jabdi, Lapkana, Gangan, Kurka, Dhela etc. The slope is comparatively steep. 200-metre contour passes through this belt. Along the Ramganga river, patches of sand dunes of Bhur are noticed.

**Sambhal Plain:** This plain is delimited from Amroha plain by 200-metre contour and lies in Bilari tahsils. It has a very gentle slope towards south-east. River Sot is the main source of water in this area. There are a few tributaries in this region, which are the insignificant. A patch of sand dunes may also be seen on the left corner along the district boundary of Budaun. It is a fertile plain. Geologically the region belongs to Alluvium, Dun gravels.

**Drainage:** The district is drained by two prominent rivers, the Ganga and the Ramganga and their tributaries. There are also some small rivers like Ban, Gangan, Kosi, Dhela etc. and rainy nullah in the district.

**Climate:** Being in the proximity of Himalayas and Terai swamps the climate of the district is very hot in summer and severe cold in winter. The hot season starts from the beginning of the February and lasts till the middle of June, followed by the rainy season continues till October. From October to middle of November, a brief period of post monsoon prevails in the district. From mid-November to middle of February is the period of winter season. The maximum and minimum temperature recorded 40-45<sup>o</sup> C and 35<sup>o</sup> C respectively. Thus all the four seasons are well marked of.

#### Ecological Resources

**Forests:** Although there is no dense vegetation in any part of the district, Khadar of Ramganga is mostly covered with Palash. In other region, mainly Shisham, Jamun, Semal, Mango and Siras trees are found. In tahsil Sambhal, Kaas (a kind of grass) is found in abundance, which is mainly used for making ban, ropes, mats and stools. Under social forestry scheme, trees are being planted for fuel, wood and other forest produce. No large carnivores are found in the district as forests have thinned by human encroachment. At times, leopard, spotted deer, wild pigs and sambhar can be seen in the northern fringe of the district that enter into this territory probably from the adjoining districts.

**Minerals and Mining:** From minerals and mining point of view the district has nothing to offer. Kankar (small pieces of stone) is found in some part of Bilari tahsils, which is used for building and road construction work.

**Soil:** Soil generally found in the district is clay loamy, balui and sandy. In the southern part of district, the soil is fertile and loamy. The North central part of the district is Bhur region where hilly tract of sand is found along with some fertile land in between and the soil is loamy.

**Land and Land use pattern:** The land level is plain and fertile land. The total net sown area is 1863.93 sq kms (63% of the total geographical area.) Of total area available for cultivation, most of the area is used as double cropped area. Mostly, the land holdings are generally small in size. 99.5 percent of total cultivable area is irrigated.

**Agriculture and Crop Pattern:** The economy of the district is predominantly based on agriculture, as majority of the population resides in rural areas and their main occupation is agriculture. Kharif and Rabi are the two principal harvests grown in the district. Wheat occupies the predominant place in terms of area and production. Sugarcane is the most important commercial crop in the district. Potato, tobacco, rice and barley are other main crops of the district. There are godowns in the district that are managed by different agencies. The district also houses cold storages for potatoes and fruits. The district also has seed godowns, fertilizer depots, insecticide depots and seed farms.

**Irrigation:** Irrigation is an important factor for improved agricultural production. Tube wells and canals are the major source of irrigation in the district. The area is irrigated through canals, government tube wells, private tube wells, ponds, well and by other sources.

**Animal Husbandry:** After agriculture, animal husbandry is the main occupation in rural areas of the district. The district has a total livestock population of 980227. There are various animals in the district like cows, poultry, buffaloes, sheep, goats, horses, ponies, and pigs. The district also has artificial insemination centres, sub-centres veterinary hospitals, animal welfare centres and pig development centres for the improvement in the breed of cattle and poultry, for the prevention and treatment of animal deceases and the control of epidemics. There is also a factory for producing infant milk food in Dalpatpur, Mundha Pandey block of the district. To improve breed of animals and making white revolution a success, many development programmes are being run in the district.

**Fishery:** Fish are found in the rivers, ohils, ponds and artificial reservoirs of the district. The common being rohu, karonds, khursa, nain, catla, rewa, sol, girai, patra, tengra, parhin and singhi. Ponds are given on lease to fishermen by the district authorities. Fishery department also has a pond which is used for pisciculture.

### Economic Resources

**Industry:** The district has been industrially backward yet the industrial development has caught on with the expansion of traditional handicrafts and small-scale industries, the products are not only sold countrywide but are also exported abroad. The brass art objects, utility articles and utensils are exported to the USA, West Germany, Canada, Iran, Iraq, Egypt, UK and other European and southeast countries. The manufacturing of brass articles occupies the foremost position in the manufacturing activities of the district and is concentrated in Moradabad town, which has earned the nickname of 'Pital Nagri' for itself. The production of western type combs, toys and beautiful show pieces are the latest addition to the array of products of this industry. To provide ample opportunities for the expansion of these industries in the district, the state Government had established a UP State Brass Ware Corporation in 1972. This institution has not only been helping these industries in procurement of raw material but also in marketing of their products at remunerative rates in India and abroad. The infrastructure built up by the development of brass industry includes the development of other small-scale industries. The manufacture of stainless steel and aluminium utensils is catching up hastily and numerous such units have come up. There are factories that are registered under Factory Act of 1948.

**Export:** Countries like Britain, the US, Middle East Asia, Germany and Canada import brassware from Moradabad. In Moradabad there are about 600 export units and 9000 industries in the district. Moradabad exports goods worth INR 4500 crore yearly. Many other products for example, iron sheet, metal wares, aluminum, artworks and glassware are also exported as per the needs of foreign buyers. Mint export worth several crores is taking place from Moradabad. These products are quite famous in overseas markets and are being exported in thousands of crores yearly. Due to upsurge of exports and popularity overseas particularly in America, Europe, Italy and other countries, a large No. of exporters are launching their units and started their export. Moradabad is one of the seven industrial corridors declared by the State Government in Industrial Policy 1999-2002.

**Special Economic Zone:** Moradabad Special Economic Zone (SEZ) the only Uttar Pradesh Government Developed SEZ in northern India, headed by the Development Commissioner, Noida SEZ and locally governed by the Assistant Development Commissioner, was set up in 2003 at Pakbara – Dingarpur Road in Moradabad on a 421.56 acres plot of land. Government of UP through UPSIDC has so far invested a sum of INR 1100 million on the development of the SEZ project. Moradabad SEZ provides excellent infrastructure, supportive services and sector specific facilities for the Handicraft Trade. Proximity to Delhi/NCR and availability of skilled and dedicated manpower makes it ideal for setting up various industries in Handicrafts & its allied filed. Moradabad SEZ was operationalized in April 2007 when it started with only one unit, however, till today in spite of global slowdown in the handicraft trade in the past four years; this zone has now 22 operational Units. Moradabad SEZ has 465 developed plots of varying sizes. Future expansion of this has been strategically planned and soon it will be available for few more export sectors.

Infrastructure supportive services and trade related facilities have been substantially upgraded in the last few years. Moradabad SEZ offers access to global telecommunication network, uninterrupted power supply and efficient local transport system. An ultra-modern RSU Telephone Exchange has been installed in the Zone, besides the availability of all the mobile frequencies in and around the zone through various mobile communication towers. Since an independent feeder line has been provided for uninterrupted power supply, the reliability and quality of power supply has improved with the pre-commissioned 32 / 11 KVA / 5.0 MVA Power Sub-station within Moradabad SEZ. Proximity to Delhi/ NCR provides easy access to financial and commercial infrastructure of the capital. Customs Wing ensures prompt and on the spot clearances of export/import consignments through web based system called "Sez online".

**Transport:** The district is connected by rail network. There is double railway line between Moradabad and Rampur. There are number of railway stations in the district. The district is also well connected by road transport as major national highway and state highways pass through the district. Means of road transport available in the district are State Road Transport Corporation buses and private buses, taxi, jeeps, trucks etc. The district has a total road network of 2063 km.

**Electricity and Power.** All the 10 towns of the district are electrified, 952 villages (98.6 percent), out of 965 inhabited villages are electrified by central electricity authorities. The consumption of electricity is in the fields of domestic light sector, commercial sector, industrial sector, public light sector, agriculture sector and public water supply and sewerage system etc. The government and private tube wells and pump sets have been electrified.

**Purpose of the Exercise:** To develop an SDG integrated district plan for the district of Moradabad, Uttar Pradesh.

### **Broad Methodology**

- 1) Meeting with State Planning Department to identify Moradabad as a district to develop a model plan.
- 2) Meetings with District Magistrate and Chief Development Officer in Moradabad to initiate discussions on SDGs and way ahead for developing the model plan.
- 3) Identification of nodal departments by the DM for initiating this work. Thirty-one nodal departments were selected. (List attached in annexure 1)
- 4) Awareness cum sensitization workshop on Sustainable Development Goals (SDGs) and India Vision 2022 organized for the department officials of Moradabad district on 17<sup>th</sup> March 2018 in the Collectorate office, Moradabad. The workshop was chaired by the CDO, by Ms. C. Indumati. This workshop was the first step towards informing the departments about the 2030 agenda and what steps are needed for developing an integrated plan. The workshop was attended by sixteen departments out of the twenty-three departments that were invited.

Some of the takeaways from the workshop were-

- Schemes should follow a demand based approach instead of a supply based approach.
- The disaggregated data and data that is relevant needs to be collected from the field.
- E data needs to be collected from all departments.
- Spatial mapping of scheme benefits across all blocks/HH needs to be done to see if the distribution of benefits is spread evenly

5) Mapping of goals and targets that are relevant to district

There are a total of 17 Sustainable Development goals of which only Two SDGs i.e. Goal 14 – Life Below Water and Goal 17- Partnerships the district.

6) There are also 169 targets for all the 17 Goals. Of these, a total of 80 district level as they are either global targets or thematic targets the national or state level. (List attached in annexure 2.)

15 are relevant to the district.  
for the Goals are not applicable to

targets are not applicable at the  
which can need to be covered at

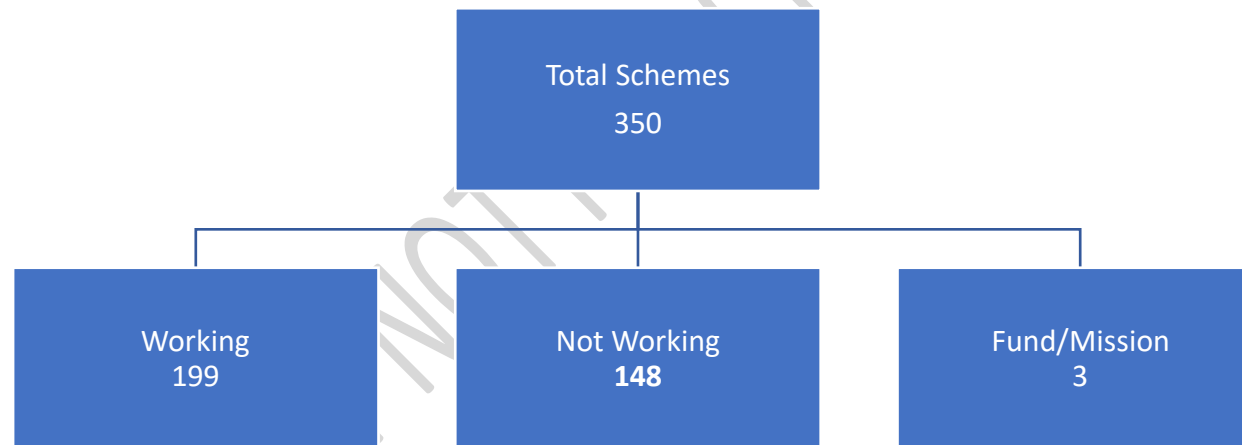

APPLICABLE GOAL AND TARGET NUMBERS

15 out of  
17 goals

89 out of  
169 targets

- 7) WWF India collected information related to number of schemes listed department wise in UP. A total of 350 schemes were listed as per Government websites and documents. These schemes were then mapped department wise. There are a total of 78 departments in the state as per the UP Government website. Of these there are 47 departments which do not function at the district level or have no bearing on the development and planning process of the district. (List attached in annexure 8). Data has been collected from 31 departments.
- 8) We also checked to see the total number of working schemes in Moradabad. Till date we have information that 199 schemes are working in the district in 2017-18. The rest are currently not functioning in the district.

The classification of schemes has been listed below:

Name of the department	Schemes Classification					
	Total no. of Schemes	Schemes that are similar therefore have been clubbed **	Total Schemes after schemes have been Clubbed	Schemes Working	Schemes Not Working	Fund Allocation Scheme/ Mission
Women and Child Department	19		19	12	7	
Agriculture/Horticulture	34		34	19	15	-
Animal Husbandry/ Dairy	35	-	35	29	6	-
Handicraft Department	1	-	1	1	-	-

<b>Total</b>	<b>350</b>	<b>0</b>	<b>350</b>	<b>199</b>	<b>148</b>	<b>3</b>

\*Schemes which have sub schemes and are listed separately

9) Mapping of working schemes vis a vis relevant SDG targets

All the department wise schemes were mapped with the SDG targets. Data was also taken from documents like the NITI Aayog SDG Mapping Document and UP SDG Mapping Document. The document with Schemes mapped against SDG Targets has been attached in Annexure 3.

10) Listing of SDG targets that are not being covered by any schemes

During the mapping it was seen that some of the targets are not being covered by any schemes. The list has been attached as annexure 5.

11) Listing of schemes that are not contributing to any targets

There are about 19 schemes that do not contribute to any target. List attached in annexure 6.

12) Data Collection

Multiple rounds of data collection from 31 departments have been done. Two types of data sheets circulated in the departments i.e. infrastructure/ amenities related and beneficiary related. (see annexure 7)

13) Data of 84 schemes have been collected for the 2017-18. Data for the remaining working schemes have not been made available despite repeated requests. Of the 84 schemes for which data has been made available, there is village level beneficiary data for 34 schemes, block level data for 8 schemes and district level data for 36 schemes. A table given below indicates the data availability and type of data provided. A detailed list for schemes for which data has been collected is attached separately in annexure 9

Name of the department	Total no. of Schemes	Schemes Working	Schemes for which data is available					No. of schemes for which data is not available
			Total Schemes	District Wise Data	Block Wise Data	Panchayat Wise Data	Revenue Village Wise Data

Challenges in Data collection

- No uniformity in scheme wise data availability- Beneficiary / Panchayat Level/ Block level/ District Data
- E Data is not available
- Data available online on the National Centre for Geo Informatics Website needs to manually entered which is quite time consuming

14) GIS Mapping of scheme wise Beneficiaries

The following GIS Map layers for the district have been sourced.

- Land use and Land cover
- Watershed
- Road Network
- District/Block/Village Boundaries

Schemes for which beneficiary data is available is being mapped on block level maps for the district.

Additionally, we have also shown the decadal change of land use in Pilibhit district

15) SDG targets have been segregation as per their intent-

- Access to Essential Services
- Equity and Fairness
- Conservation, Environment and Sustainability
- Economic and Social Wellbeing

Mapping of schemes against these four heads has also been done

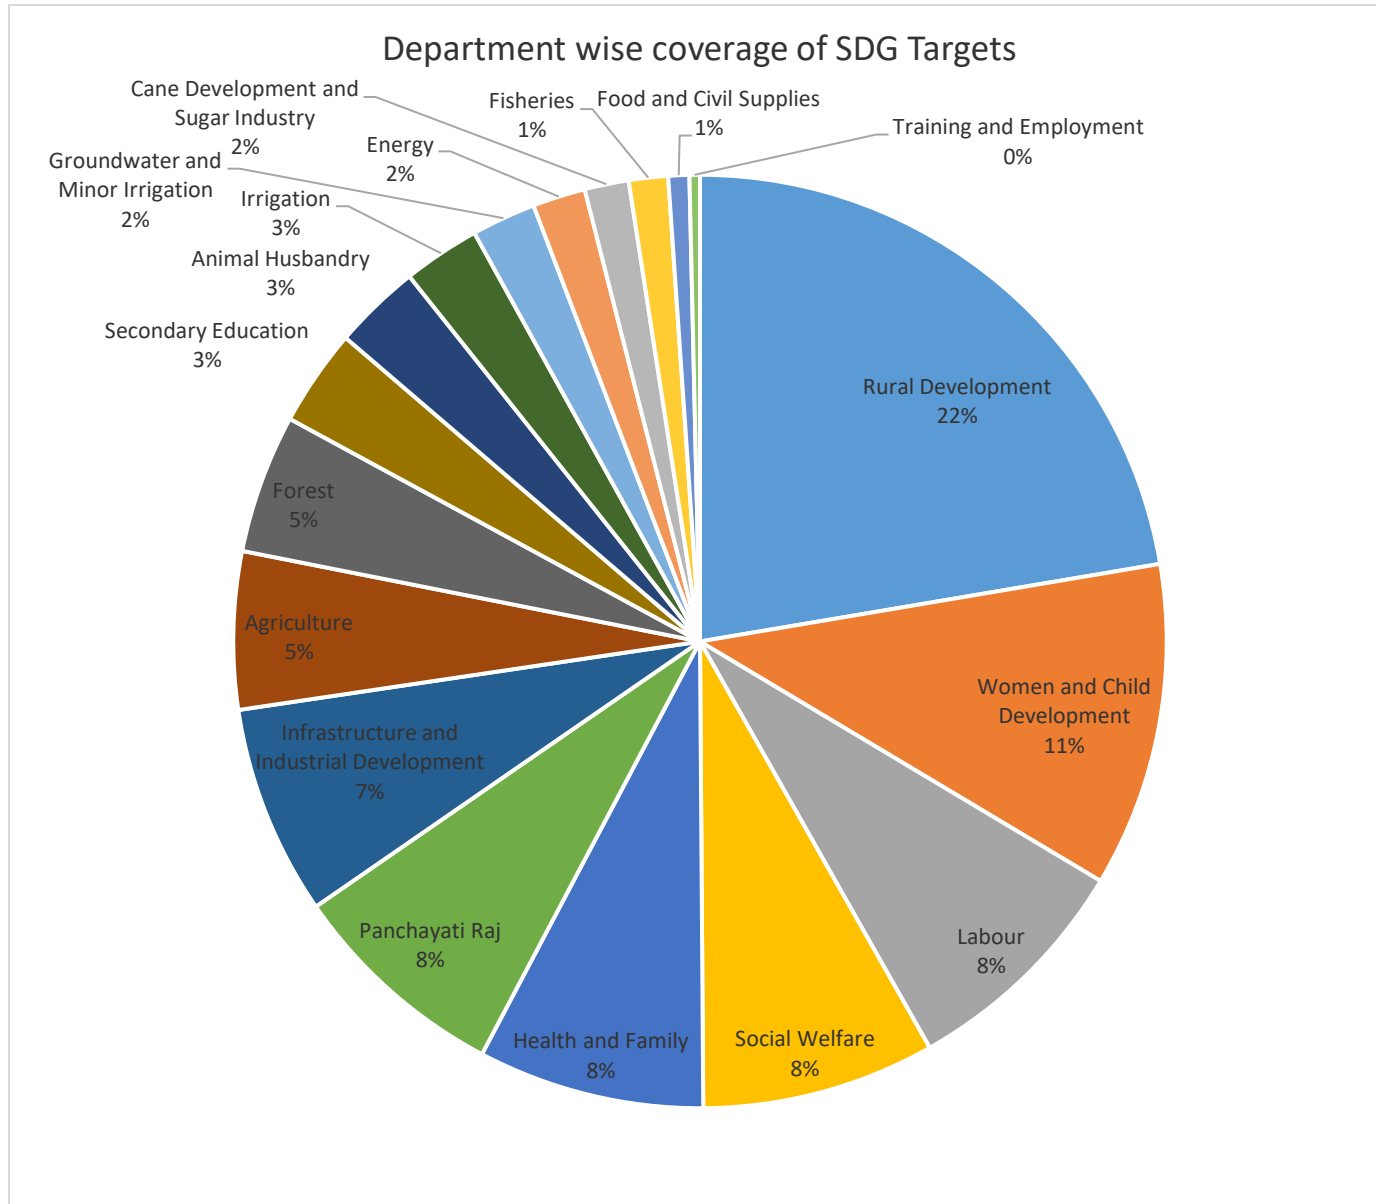

## **SOME FINDINGS**

SDG targets were also segregated into four heads as mentioned earlier in point 15. The analysis also shows that

1. Department of rural development, women and child and labour contribute most to SDG targets

See the pie charts given in separate pages

### Department wise coverage of targets contributing to creating Access to Essential Services

Department wise coverage of targets contributing to Conservation, Environment & Sustianability

### Department wise coverage of targets contributing to creating Equity & Fairness

### Department wise coverage of targets contributing to Economic & Social Wellbeing

A survey was conducted in the district to assess the people's opinion on how they want their district to develop and what should be the priority of the district.

The people in the district want access to essential services and a better environment as well as policies that can conserve the environment.

### **Coverage Analysis of Beneficiary Level Schemes for 2017-18**

A coverage analysis of beneficiary level schemes for 2017-18 for one block. Some of the findings of the analysis are

Munda PandeBlock, Moradabad District–

Total Villages -- 118

- 1) For village has 13 schemes working in that village
- 2) Majority of villages have 8 schemes working in the villages
- 3) 6 villages have only one scheme working in them
- 4) 4 villages have no schemes working
- 5) 12 villages are un-inhabited villages

Mordabad City

Moradabad has a Moradabad Development authority and Nagar Nigam. It has also been proposed as a smart city under the smart city mission. Some of the SDG Targets are also being covered under the schemes of these departments and under the smart city plan.

Some of the components of the smart city plan are-

Description of Components	Targets
Brass Research & Skill Development Centre with brass industry at MHSC	9.b
Career Mitra for Employment in Brass Industry at Peeli Kothi	8.3
Brass Wastewater Treatment Plan from brass waste water network development	6.3, 9.4
Brass Particle Remover Plant from brass waste and disposal from Brass waste	9.4
E waste Treatment Plant	12.5, 11.6
Metal Recovery Plant from E waste	9.4
CSIR-CECRI approved furnace to brass industries for improved health of artisans and economic benefit	9.4

Pedestrian Infrastructure & Street Furniture for providing safe movement	11.2
Development of Smart Road with efficient NMT services & smart features on Budh Bazaar Road	9.1
Beautification and Development of Bank of River Ramganga with recreational facilities and cultural calendar	11.7
Streetscaping, Street Furniture, Urban Nodes, Open space development	9.1,11.7
Redevelopment & Beautification of Parks to increase green cover with year round cultural calendar and activity chart	11.7
Solar Roof Top On Government Buildings	7.2
Solar High Mast Light at junctions and public places	7.2
Solar Lantern for street vendors	7.2
Piped Gas Distribution Network in city to provide green energy for industrial, commercial and personal use with CNG Gas stations	7.1
LED based smart Street Light	7.1
Solar based Water ATMs in city	7.2
Distribution Network of treated water from CETP & STP	6.3
Rain water Harvesting	6.a
Solar Based Smart Toilets with Zero Disposal	7.2
On street Parking using containers at the height of 6m above roads	7.2
Off street Parking using containers on roadside	7.2
Underground Parking at Company Bagh	
Junction Improvement, Signal provisions, Safety Provisions, Road Maintenance and Road Infrastructure Improvement	11.2
<b>PAN CITY</b>	
Intelligent Traffic Management System to provide safe, reliable and fast movement	11.2
Corridors and Route Development with feeder services of last mile connectivity for existing transport system	9.1
Traffic Signal & Accessories for traffic management	11.2
Junction Re-engineering & improvements	11.2
Surveillance System with Edge devices & sensors at Mid Block and Traffic Analytics Simulation and Modelling- TIA software	11.2
Capacity Building for Traffic Management	11.2
Area Traffic Control System with Traffic Violations Detection System (TVDS) E Challan	11.2
Variable Message Signs For Road Safety improvement	11.2
Decentralised Solid Waste Management (Door to Door) with GPS & RFID based Bins and awareness program	12.5

Air & Water Quality Monitoring Stations at Harthala, Delhi Rod, Peetal Nagri, Duptyganj and Transport Nagar	11.6
---	------

### Analysis of Priority Schemes

The analysis of schemes versus SDG targets was done. Schemes contributing to three or more targets were listed out. The targets have been categorized wise scheme mapping has been taken from

- NITI Aayog August 2018 Mapping documents – Green Font
- Mapping done by WWF India – Yellow Font
- Targets mentioned in the UP SDG Mapping document but not applicable as per WWF India– Red font

List of Priority Schemes			
Scheme	Department	Targets	Goals
ICDS	Women & Child Development	9 ( 2.1, 2.2, 3.1,3.2, 3.7, 3.8, 4.2, 5.1,5.6)	4 (Goal 2: Zero Hunger, Goal 3: Good Health & Well Being, Goal 4: Quality Education, Goal 5: Gender Equality)
Mahatma Gandhi National Rural Employment Guarantee Scheme (CSS)	Rural Development	8(1.1,1.2,1.3,1.4,1.a, 8.3,8.5,8.6, 10.1)	3 (Goal 1: No Poverty, Goal 8: Decent Work and Economic Growth,Goal 10 : Reduce Inequality)
Pradhan Mantri Awas Yojana [Gramin] (CSS)	Rural Development	5(1.1,1.2,1.3,1.4, 11.1)	2 (Goal 1: No Poverty, Goal 11: Sustainable Cities and Communities)
Widow Pension (SSS)	Women & Child Development	5 (1.1,1.3,5.1, ,5.a)	2 (Goal 1: No Poverty, Goal 5: Gender Equality)
National Rural Drinking Water Programme (NRDWP)	Rural Development	5(6.1,6.3,6.4,6.5,6.6)	1 (Goal 6: Clean Water & Sanitation)
Project Tiger (CSS)	Forest Department	4(15.1,15.2,15.5,15.7)	1(Goal 15: Life on Land)

Integrated Development of Wildlife Habitats (CSS)	Forest Department	4(15.1,15.2,15.5,15.7)	1(Goal 15: Life on Land)
National Family Benefit Scheme(JSS)	Social Welfare	4(1.1,1.2,1.3, 5.4)	2 (Goal 1: No Poverty, Goal 5: Gender Equality)
Rastriya Madhyamik Siksha Abhiyan,	Secondary Education	4( 1.a,4.1,4.4, 4.a)	2(Goal 1: No Poverty, Goal 4: Quality Education)
Government Girls Hostel Scheme	Secondary Education	4( 1.a,4.1,4.5, 4.a)	2(Goal 1: No Poverty, Goal 4: Quality Education)
Sarva Shiska Abhiyan	Basic Education	4( 1.a,4.1,4.5, 4.a)	2(Goal 1: No Poverty, Goal 4: Quality Education)
PMEGP SCHEME (Prime Minister's Employment Generation Programme) [CSS]	Infrastructure & Industrial Development	4(1.1,8.3,8.5,8.6)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 5: Gender Equality)
Pradhan Mantri Gram Sadak Yojana (CSS)	Rural Development	4(1.4,9.1,9.4,10.3)	3( Goal 1: No poverty, Goal 9: Industry, Innovation & Infrastructure, Goal 10 : Reduce Inequality)
Child Benefit Scheme (SSS)	Labour	4(2.1,2.2,3.2, 4.2)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 4: Quality Education)
Pradhan Mantri Matritva Vandana Yojana(Workshop)	Medical Health & Family Welfare	4(2.1,2.2,3.1, 5.1)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 5: Gender Equality)
National Food Security Mission (CSS)	Food & Civil Supplies	3(1.3,2.1,2.2)	2(Goal 1: No Poverty, Goal 2: Zero Hunger)
Maternity Benefit Scheme (SSS)	Labour	3 (2.1,2.2,3.2, 4.2)	2(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being,)
State Innovations in Family Planning Services Project Agency (SIFPSA) (CSS+ESS)	Medical Health & Family Welfare	3(3.1,3.7,5.6)	2(Goal 3: Good Health and Well-Being, Goal 5: Gender Equality)

Swachh Bharat Mission	Panchayati Raj	3(3.3,6.2, 6.b, 11.3)	3 (Goal 3: Good Health and Well-Being, Goal 6: Clean Water and Sanitation, Goal 11: Sustainable Cities and Communities)
Sanitary Napkin	Panchayati Raj	3(4.4,6.2,8.6)	2(Goal 4: Quality Education, Goal 6: Clean Water and Sanitation, Goal 8: Decent Work and Economic Growth)

Out of these schemes it has been shown that that 8 working schemes contribute to many targets and thus these schemes need more allocation of funds so that their coverage can be enhanced. This will ensure that the contribution to SDGs and overall inclusive and sustainable development of the district can be achieved.

1. ICDS
2. MNREGS
3. PMEGP
4. Child benefit scheme
5. SIFPSA
6. Swach Bharat
7. Sanitary Napkin
8. PM Maitritva Vandana

**Mapping of State Indicators with the Priority Schemes**

We have also mapped the state indicators with these priority schemes

<b>List of Priority Schemes</b>				
<b>Scheme</b>	<b>Department</b>	<b>UP State Indicators</b>	<b>Targets</b>	<b>Goals</b>
ICDS	Women & Child Development	1) Percentage of village Panchayat covered by Anganwadi services 2) Percentage of children aged 0-6 years given supplementary nutrition 3) Percentage of pregnant and lactating mothers given supplementary nutrition 4) Percentage of pregnant women vaccinated 5) Percentage of children in grade 3 malnutrition	9 ( 2.1, 2.2, 3.1,3.2, 3.7, 3.8, 4.2, 5.1,5.6)	4 (Goal 2: Zero Hunger, Goal 3: Good Health & Well Being, Goal 4: Quality Education, Goal 5: Gender Equality)
Mahatma Gandhi National Rural Employment Guarantee Scheme (CSS)	Rural Development	1) Percentage of HH getting wage employment under MGNREGA 2) Percentage of SC/ST/women getting wage employment	8(1.1,1.2,1.3,1.4, 8.3,8.5,8.6, 10.1) 1.a has been deleted by WWF however is in the Mapping done by Niti Aayog	3 (Goal 1: No Poverty, Goal 8: Decent Work and Economic Growth, Goal 10 : Reduce Inequality)
Pradhan Mantri Awas Yojana [Gramin] (CSS)	Rural Development	1) Percentage of HH covered in rural areas	5(1.1,1.2,1.3,1.4, 11.1)	2 (Goal 1: No Poverty, Goal 11: Sustainable Cities and Communities)
Widow Pension (SSS)	Women & Child Development	1) Percentage of widows covered	4 (1.1,1.3,5.1,5.a)	2 (Goal 1: No Poverty, Goal 5: Gender Equality)
National Rural Drinking Water Programme (NRDWP)	Rural Development	Prop. of rural habitations fully covered with drinking water supply	5(6.1,6.3,6.4,6.5,6.6)	1 (Goal 6: Clean Water & Sanitation)

**DRAFT DOCUMENT NOT FOR CIRCULATION AND CITATION**

Project Tiger (CSS)	Forest Department	Area covered under protected habitats	4(15.1,15.2,15.5,15.7)	1(Goal 15: Life on Land)
Integrated Development of Wildlife Habitats (CSS)	Forest Department	Area covered under protected habitats	4(15.1,15.2,15.5,15.7)	1(Goal 15: Life on Land)
National Family Benefit Scheme(JSS)	Social Welfare	Percentage of BPL households covered	4(1.1,1.2,1.3, 5.4)	2 (Goal 1: No Poverty, Goal 5: Gender Equality)
PMEGP SCHEME (Prime Minister's Employment Generation Programme) [CSS]	Infrastructure & Industrial Development	1) No. of MSME unit set up 2) No. of Employment generated	4(1.1,8.3,8.5,8.6)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 5: Gender Equality)
Child Benefit Scheme (SSS)	Labour	1) Percentage of labourer children covered	4(2.1,2.2,3.2, 4.2)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 4: Quality Education)
Pradhan Mantri Matritva Vandana Yojana	Medical Health & Family Welfare	1) Percentage of preganant and lactating mothers given supplementary nutrition 2) Percentage of pregnant women vaccinated	4(2.1,2.2,3.1, 5.1)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 5: Gender Equality)
National Food Security Mission (CSS)	Food & Civil Supplies	1) Percentage increase in productivity of wheat, rice, pulses 2) Percentage of BPL HH covered under TPDS	3(1.3,2.1,2.2)	2(Goal 1: No Poverty, Goal 2: Zero Hunger)
Maternity Benefit Scheme (SSS)	Labour	1) Percentage of preganant and lactating mothers given supplementary nutrition	3 (2.1,2.2,3.2, 4.2)	2(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being,)

		2) Percentage of pregnant women vaccinated 3) Percentage of pregnant labourers supported		
Swachh Bharat Mission	Panchayati Raj	1) Percentage of households covered by IHHL (rural) 2) Percentage workforce in manual scavenging 3) Proportion of vilages with village water and sanitation committee	4 (3.3,6.2, 6.b, 11.3)	3 (Goal 3: Good Health and Well-Being, Goal 6: Clean Water and Sanitation, Goal 11: Sustainable Cities and Communities)

It can be seen that a few schemes and indicators can cover a large number of goals and therefore should be given priority. The list of these schemes is given below

Scheme	Department	UP State Indicators	Targets	Goals
ICDS	Women & Child Development	1) Percentage of village Panchayat covered by Anganwadi services 2) Percentage of children aged 0-6 years given supplementry nutrition 3) Percentage of preganant and lactating mothers given supplementary nutrition 4) Percentage of pregnant women vaccinated 5) Percentage of children in grade 3 malnutrition	9 ( 2.1, 2.2, 3.1,3.2, 3.7, 3.8, 4.2, 5.1,5.6)	4 (Goal 2: Zero Hunger, Goal 3: Good Health & Well Being, Goal 4: Quality Education, Goal 5: Gender Equality)

Child Benefit Scheme (SSS)	Labour	1) Percentage of labourer children covered	4(2.1,2.2,3.2, 4.2)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 4: Quality Education)
Pradhan Mantri Matritva Vandana Yojana	Medical Health & Family Welfare	1) Percentage of preganant and lactating mothers given supplementary nutrition 2) Percentage of pregnant women vaccinated	4(2.1,2.2,3.1, 5.1)	3(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being, Goal 5: Gender Equality)
Maternity Benefit Scheme (SSS)	Labour	1) Percentage of preganant and lactating mothers given supplementary nutrition 2) Percentage of pregnant women vaccinated 3) Percentage of pregnant labourers supported	4 (2.1,2.2,3.2, 4.2)	2(Goal 2: Zero Hunger, Goal 3: Good Health and Well-Being,)

**Scheme wise Coverage of Targets**

We have also analysed the scheme wise coverage of targets. The target was divided into various sections to assess the coverage. Annexure 1 shows these targets coverage assessment. The text in red is when no scheme covers it, yellow depicts partial coverage and green means full coverage.

**Annexure 1**

1.1: By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day	eradicate extreme poverty	people living on less than \$1.25 a day
National Rural Livelihood Mission		
Old Age Pension (SSS)		
National Family Benefit Scheme (JSS)		
Widow Pension (SSS)		

Mahatma Gandhi National Rural Employment Guarantee Scheme (CSS)		
Pradesh Ke Vishisht Shipakaro Ke Liye Pension Yojana		

1.2 : By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions	reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions
Laghu Evam Seemant Krishako ko Sahayta (SSS)	
Mahatma Gandhi National Rural Employment Guarantee Scheme (CSS)

DRAFT NOT FOR CIRCULATION

**Annexure 3: SDG Targets not applicable to Moradabad district**

1.	1.a-Ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions
2.	1.b>Create sound policy frameworks at the national, regional and international levels, based on pro-poor and gender-sensitive development strategies, to support accelerated investment in poverty eradication actions
3.	2.a-Increase investment, including through enhanced international cooperation, in rural infrastructure, agricultural research and extension services, technology development and plant and livestock gene banks in order to enhance agricultural productive capacity in developing countries, in particular least developed countries
4.	2.b-Correct and prevent trade restrictions and distortions in world agricultural markets, including through the parallel elimination of all forms of agricultural export subsidies and all export measures with equivalent effect, in accordance with the mandate of the Doha Development Round
5.	2.c-Adopt measures to ensure the proper functioning of food commodity markets and their derivatives and facilitate timely access to market information, including on food reserves, in order to help limit extreme food price volatility.
6.	3.a-Strengthen the implementation of the World Health Organization Framework Convention on Tobacco Control in all countries, as appropriate
7.	3.b-Support the research and development of vaccines and medicines for the communicable and noncommunicable diseases that primarily affect developing countries, provide access to affordable essential medicines and vaccines, in accordance with the Doha Declaration on the TRIPS Agreement and Public Health, which affirms the right of developing countries to use to the full the provisions in the Agreement on Trade Related Aspects of Intellectual Property Rights regarding flexibilities to protect public health, and, in particular, provide access to medicines for all
8.	3.c-Substantially increase health financing and the recruitment, development, training and retention of the health workforce in developing countries, especially in least developed countries and small island developing States
9.	3.d-Strengthen the capacity of all countries, in particular developing countries, for early warning, risk reduction and management of national and global health risks
10.	4.b-By 2020, substantially expand globally the number of scholarships available to developing countries, in particular least developed countries, small island developing States and African countries, for enrolment in higher education, including vocational training and information and communications technology, technical, engineering and scientific programmes, in developed countries and other developing countries
11.	4.c-By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing states
12.	5.c-Adopt and strengthen sound policies and enforceable legislation for the promotion of gender equality and the empowerment of all women and girls at all levels

13.	6.a-By 2030, expand international cooperation and capacity-building support to developing countries in water- and sanitation-related activities and programmes, including water harvesting, desalination, water efficiency, wastewater treatment, recycling and reuse technologies
14.	7.3-By 2030, double the global rate of improvement in energy efficiency
15.	7.a-By 2030, enhance international cooperation to facilitate access to clean energy research and technology, including renewable energy, energy efficiency and advanced and cleaner fossil-fuel technology, and promote investment in energy infrastructure and clean energy technology
16.	8.1- Sustain per capita economic growth in accordance with national circumstances and, in particular, at least 7 per cent gross domestic product growth per annum in the least developed countries.
17.	8.4- Improve global resource efficiency in consumption and production and endeavour to decouple economic growth from environmental degradation
18.	8.9- Devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products.
19.	8.10- Strengthen the capacity of domestic financial institutions to encourage and expand access to banking, insurance and financial services for all.
20.	8.a-Increase Aid for Trade support for developing countries, in particular least developed countries, including through the Enhanced Integrated Framework for Trade-Related Technical Assistance to Least Developed Countries
21.	8.b-By 2020, develop and operationalize a global strategy for youth employment and implement the Global Jobs Pact of the International Labour Organization
22.	9.2-Promote inclusive and sustainable industrialization and significantly raise industry's share of employment and gross domestic product, in line with national circumstances and double its share in least developed countries
23.	9.5- Enhance scientific research, upgrade the technological capabilities of industrial sectors.
24.	9.a-Facilitate sustainable and resilient infrastructure development in developing countries through enhanced financial, technological and technical support to African countries, least developed countries, landlocked developing countries and small island developing States 18
25.	9.b-Support domestic technology development, research and innovation
26.	10.3- -Ensure equal opportunity and reduce inequalities of outcome, including by eliminating discriminatory laws, policies and practices and promoting appropriate legislation, policies and action in this regard
27.	10.4-Adopt policies, especially fiscal, wage and social protection policies, and progressively achieve greater equality
28.	10.5-Improve the regulation and monitoring of global financial markets and institutions and strengthen the implementation of such regulations
29.	10.6-Ensure enhanced representation and voice for developing countries in decision-making in global international economic and financial institutions in order to deliver more effective, credible, accountable and legitimate institutions
30.	10.7-Facilitate orderly, safe, regular and responsible migration and mobility of people, including through the implementation of planned and well-managed migration policies

31.	10.a-Implement the principle of special and differential treatment for developing countries, in particular least developed countries, in accordance with World Trade Organization agreements
32.	10.b-Encourage official development assistance and financial flows, including foreign direct investment, to States where the need is greatest, in particular least developed countries, African countries, small island developing States and landlocked developing countries, in accordance with their national plans and programmes
33.	10.c-By 2030, reduce to less than 3 per cent the transaction costs of migrant remittances and eliminate remittance corridors with costs higher than 5 per cent
34.	11.4-Strengthen efforts to protect and safeguard the world's cultural and natural heritage
35.	11.b-By 2020, substantially increase the number of cities and human settlements adopting and implementing integrated policies and plans towards inclusion, resource efficiency, mitigation and adaptation to climate change, resilience to disasters, and develop and implement, in line with the Sendai Framework for Disaster Risk Reduction 2015-2030, holistic disaster risk management at all levels
36.	11.c-Support least developed countries, including through financial and technical assistance, in building sustainable and resilient buildings utilizing local materials
37.	12.1- Implement the 10-year framework of programmes on sustainable consumption and production, all countries taking action, with developed countries taking the lead, taking into account the development and capabilities of developing countries
38.	12.3-By 2030, halve per capita global food waste at the retail and consumer levels and reduce food losses along production and supply chains, including post-harvest losses
39.	12.6-Encourage companies, especially large and transnational companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle
40.	12.7- Promote public procurement practices that are sustainable, in accordance with national policies and priorities
41.	12.a-Support developing countries to strengthen their scientific and technological capacity to move towards more sustainable patterns of consumption and production
42.	12.b – Develop and implement tools to monitor sustainable development impacts for sustainable tourism that creates jobs and promote local culture and products
43.	12.c-Rationalize inefficient fossil-fuel subsidies that encourage wasteful consumption by removing market distortions, in accordance with national circumstances, including by restructuring taxation and phasing out those harmful subsidies, where they exist, to reflect their environmental impacts, taking fully into account the specific needs and conditions of developing countries and minimizing the possible adverse impacts on their development in a manner that protects the poor and the affected communities
44.	13.2- Integrate climate change measures into national policies, strategies and planning

45.	13.a-Implement the commitment undertaken by developed-country parties to the United Nations Framework Convention on Climate Change to a goal of mobilizing jointly \$100 billion annually by 2020 from all sources to address the needs of developing countries in the context of meaningful mitigation actions and transparency on implementation and fully operationalize the Green Climate Fund through its capitalization as soon as possible
46.	13.b- Promote mechanisms for raising capacity for effective climate change-related planning and management.
47.	14.1-By 2025, prevent and significantly reduce marine pollution of all kinds, in particular from land-based activities, including marine debris and nutrient pollution
48.	14.2-By 2020, sustainably manage and protect marine and coastal ecosystems to avoid significant adverse impacts, including by strengthening their resilience, and take action for their restoration in order to achieve healthy and productive oceans
49.	14.3-Minimize and address the impacts of ocean acidification, including through enhanced scientific cooperation at all levels
50.	14.4-By 2020, effectively regulate harvesting and end overfishing, illegal, unreported and unregulated fishing and destructive fishing practices and implement science-based management plans, in order to restore fish stocks in the shortest time feasible, at least to levels that can produce maximum sustainable yield as determined by their biological characteristics
51.	14.5-By 2020, conserve at least 10 per cent of coastal and marine areas, consistent with national and international law and based on the best available scientific information
52.	14.6-By 2020, prohibit certain forms of fisheries subsidies which contribute to overcapacity and overfishing, eliminate subsidies that contribute to illegal, unreported and unregulated fishing and refrain from introducing new such subsidies, recognizing that appropriate and effective special and differential treatment for developing and least developed countries should be an integral part of the World Trade Organization fisheries subsidies negotiation
53.	14.7-By 2030, increase the economic benefits to Small Island developing States and least developed countries from the sustainable use of marine resources, including through sustainable management of fisheries, aquaculture and tourism
54.	14.a-Increase scientific knowledge, develop research capacity and transfer marine technology, taking into account the Intergovernmental Oceanographic Commission Criteria and Guidelines on the Transfer of Marine Technology, in order to improve ocean health and to enhance the contribution of marine biodiversity to the development of developing countries, in particular small island developing States and least developed countries
55.	14.b-Provide access for small-scale artisanal fishers to marine resources and markets
56.	14.c-Enhance the conservation and sustainable use of oceans and their resources by implementing international law as reflected in UNCLOS, which provides the legal framework for the conservation and sustainable use of oceans and their resources, as recalled in paragraph 158 of The Future We Want
57.	15.4- Ensure the conservation of mountain ecosystems, including their biodiversity, in order to enhance their capacity to provide benefits that are essential for sustainable development
58.	15.c- Combat poaching and trafficking of protected species, including by increasing the capacity of local communities to pursue sustainable livelihood opportunities.
59.	16.3- Promote the rule of law at the national and international levels and ensure equal access to justice for all.
60.	16.8-Broaden and strengthen the participation of developing countries in the institutions of global governance

61.	16.a-Strengthen relevant national institutions, including through international cooperation, for building capacity at all levels, in particular in developing countries, to prevent violence and combat terrorism and crime
62.	17.1-Strengthen domestic resource mobilization, including through international support to developing countries, to improve domestic capacity for tax and other revenue collection
63.	17.2-Developed countries to implement fully their official development assistance commitments, including the commitment by many developed countries to achieve the target of 0.7 per cent of ODA/GNI to developing countries and 0.15 to 0.20 per cent of ODA/GNI to least developed countries ODA providers are encouraged to consider setting a target to provide at least 0.20 per cent of ODA/GNI to least developed countries
64.	17.3-Mobilize additional financial resources for developing countries from multiple sources
65.	17.4-Assist developing countries in attaining long-term debt sustainability through coordinated policies aimed at fostering debt financing, debt relief and debt restructuring, as appropriate, and address the external debt of highly indebted poor countries to reduce debt distress
66.	17.5-Adopt and implement investment promotion regimes for least developed countries
67.	17.6-Enhance North-South, South-South and triangular regional and international cooperation on and access to science, technology and innovation and enhance knowledge sharing on mutually agreed terms, including through improved coordination among existing mechanisms, in particular at the United Nations level, and through a global technology facilitation mechanism
68.	17.7-Promote the development, transfer, dissemination and diffusion of environmentally sound technologies to developing countries on favourable terms, including on concessional and preferential terms, as mutually agreed
69.	17.8-Fully operationalize the technology bank and science, technology and innovation capacity-building mechanism for least developed countries by 2017 and enhance the use of enabling technology, in particular information and communications technology
70.	17.9-Enhance international support for implementing effective and targeted capacity-building in developing countries to support national plans to implement all the sustainable development goals, including through North-South, South-South and triangular cooperation
71.	17.10-Promote a universal, rules-based, open, non-discriminatory and equitable multilateral trading system under the World Trade Organization, including through the conclusion of negotiations under its Doha Development Agenda
72.	17.11-Significantly increase the exports of developing countries, in particular with a view to doubling the least developed countries' share of global exports by 2020
73.	17.12-Realize timely implementation of duty-free and quota-free market access on a lasting basis for all least developed countries, consistent with World Trade Organization decisions, including by ensuring that preferential rules of origin applicable to imports from least developed countries are transparent and simple, and contribute to facilitating market access
74.	17.13-Enhance global macroeconomic stability, including through policy coordination and policy coherence
75.	17.14-Enhance policy coherence for sustainable development
76.	17.15-Respect each country's policy space and leadership to establish and implement policies for poverty eradication and sustainable development

77.	17.16-Enhance the global partnership for sustainable development, complemented by multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals in all countries, in particular developing countries
78.	17.17-Encourage and promote effective public, public-private and civil society partnerships, building on the experience and resourcing strategies of partnerships
79.	17.18-By 2020, enhance capacity-building support to developing countries, including for least developed countries and small island developing States, to increase significantly the availability of high-quality, timely and reliable data disaggregated by income, gender, age, race, ethnicity, migratory status, disability, geographic location and other characteristics relevant in national contexts
80.	17.19-By 2030, build on existing initiatives to develop measurements of progress on sustainable development that complement gross domestic product, and support statistical capacity-building in developing countries

## Annexure 4: List of Government Schemes covering SDG Targets in Moradabad District

S No	District	Department	SDG Target -1.1
1.	Moradabad	DRD	National Rural Livelihood Mission
2.	Moradabad	DSW	Old Age Pension (SSS)
3.	Moradabad	DSW	National Family Benefit Scheme (JSS)
4.	Moradabad	WCD	Widow Pension (SSS)

**Annexure 5: List of Targets not covered in Moradabad by Schemes**

<b>Targets without any Schemes</b>		<b>Targets covered under relevant acts</b>	<b>Targets will be covered if the following schemes are working</b>	<b>Targets not being covered by any Scheme, Act or Policy</b>
1.	1.5 - Build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters	National Disaster Management Act,2005 (Partially)		
2.	3.4- By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being			√
3.	3.5 - 3.5-Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol	<ul style="list-style-type: none"> <li>• The Narcotic Drugs and Psychotropic Substances Act, 1985</li> <li>• The Prevention Of Illicit Traffic In Narcotic Drugs And Psychotropic Substances Act, 1988</li> </ul>		

4.	3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents			√
5.	3.9- Substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination	<ul style="list-style-type: none"> <li>• Manufacture, Storage and Import of Hazardous Chemical Rules, 1989</li> <li>• The Air (Prevention and Control of Pollution) Act, 1981</li> <li>• The Water (Prevention and Control of Pollution) Cess Act, 1977</li> <li>• Bio-Medical Waste Management and Handling Rules, 2016</li> </ul>		
6.	4.7- Ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global			√

	citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development			
7.	5.5-Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life			√
8.	5.a - Undertake reforms to give women equal rights to economic resources, as well as access to ownership and control over land and other forms of property, financial services, inheritance and natural resources, in accordance with national laws	<ul style="list-style-type: none"> <li>• The Equal Remuneration Act, 1976</li> <li>• Married Women's Property Act, 1874</li> <li>• Hindu Succession Act, 1956</li> </ul>		
9.	5.b- Promote the empowerment of women through Technology.			√
10.	5.c-Adopt and strengthen sound	<ul style="list-style-type: none"> <li>• The Equal Remuneration Act, 1976</li> </ul>		

	policies and enforceable legislation for the promotion of gender equality	<ul style="list-style-type: none"> <li>• Married Women’s Property Act, 1874</li> <li>• Pre-Conception and Pre-Natal Diagnostic Techniques (PCPNDT) Act, 1994</li> <li>• Hindu Succession Act, 1956</li> </ul>		
11.	6.3- Improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally		National River Conservation Plan	√
12.	6.5- Implement integrated water resources management at all levels, including through transboundary cooperation as appropriate	<ul style="list-style-type: none"> <li>• National Water Mission (National Action Plan on Climate Change)</li> <li>• River Basin Management Scheme</li> </ul>		
13.	7.b- Expand infrastructure and upgrade technology for supplying modern and sustainable energy		Decentralized Distribution Generation (DDG)	√

	services for all in developing countries, in particular least developed countries, small island developing States, and land-locked developing countries, in accordance with their respective programmes of support			
14.	8.7-Take immediate and effective measures to eradicate forced labour, end modern slavery and human trafficking and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms	<ul style="list-style-type: none"> <li>• Child Labour (Prohibition &amp; Regulation) Act, 1986</li> <li>• Bonded Labour System Abolition Act, 1976</li> </ul>		
15.	8.8- Protect labour rights and promote safe and secure working environments for all workers.	<ul style="list-style-type: none"> <li>• Minimum Wages Act, 1948</li> <li>• Employees State Insurance Act, 1948</li> <li>• Factories Act, 1948</li> <li>• Contract Labour (Regulation &amp; Abolition) Act, 1970</li> </ul>		

16.	9.c- Increase access to information and communications technology.	<ul style="list-style-type: none"> <li>• Right to Information Act, 2005</li> <li>• Digital India Programme</li> </ul>		
17.	11.5- Reduce the number of deaths and the number of people affected and substantially decrease the direct economic losses relative to global gross domestic product caused by disasters, including water-related disasters.			√
18.	11.6- Reduce the adverse per capita environmental impact of cities, including by paying special attention to air quality and municipal and other waste management	<ul style="list-style-type: none"> <li>• The Air (Prevention and Control of Pollution) Act, 1981 (Partially)</li> <li>• Environment Protection Act, 1986</li> </ul>		
19.	11.a Support positive economic , social and environmental links between urban, peri-urban and rural areas			√
20.	12.2- Achieve the sustainable management and	National Mission for Green India		

	efficient use of natural resources			
21.	12.4- Environmentally sound management of chemicals and all wastes throughout their life cycle.	<ul style="list-style-type: none"> <li>• Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008. (Partially)</li> <li>• Manufacture, Storage and Import of Hazardous Chemical Rules, 1989</li> <li>• Bio-Medical Waste Management and Handling Rules,2016</li> <li>• The Plastic Waste Management Rules, 2016</li> <li>• The E- Waste Management Rules, 2011</li> <li>• The Batteries Management Rules, 2001</li> </ul>		
22.	12.5- Reduce waste generation through prevention, reduction, recycling and reuse.	<ul style="list-style-type: none"> <li>• Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008. (Partially)</li> <li>• Manufacture, Storage and Import of Hazardous Chemical Rules, 1989</li> <li>• Bio-Medical Waste Management and Handling Rules,2016</li> </ul>		

		<ul style="list-style-type: none"> <li>• The Plastic Waste Management Rules, 2016</li> <li>• The E- Waste Management Rules, 2011</li> <li>• The Batteries Management Rules, 2001</li> </ul>		
23.	12.8-ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature			√
24.	13.1- Resilience and adaptive capacity to climate-related hazards and natural disasters.	<p>National Mission for Green India</p> <p>National Mission for Sustainable Agriculture</p>		
25.	13.3- Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning	National Mission on Strategic Knowledge for climate Change		
26.	15.1- Ensure the conservation, restoration and sustainable use of			√

	terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements			
27.	15.5-Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, protect and prevent the extinction of threatened species			√
28.	15.6- Promote fair and equitable sharing of the benefits arising from the utilization of genetic resources and promote appropriate access to such resources.	ABS Guidelines under the BD ACT 2002		
29.	15.7-Take urgent action to end poaching and trafficking of protected species of flora and fauna and address both demand			√

	and supply of illegal wildlife products			
30.	15.9-By 2020, integrate ecosystem and biodiversity values into national and local planning, development processes, poverty reduction strategies and accounts			√
31.	15.a- Increase financial resources from all sources to conserve and sustainably use biodiversity and ecosystems.			√
32.	15.b- Mobilize significant resources from all sources and at all levels to finance sustainable forest management and provide adequate incentives to developing countries.			√
33.	16.1- Reduce all forms of violence and related death rates everywhere.	The Protection of Women from Domestic Violence Act, 2005 (Partially)		
34.	16.4- Reduce illicit financial and arms flows, strengthen the recovery and return of			√

	stolen assets and combat all forms of organized crime.			
35.	16.5- Reduce corruption and bribery in all their forms.	<ul style="list-style-type: none"> <li>• The Prevention of Corruption Act, 1988</li> <li>• The Benami Transactions (Prohibition) Act, 1988</li> <li>• The Prevention of Money Laundering Act, 2002</li> </ul>		
36.	16.6- Develop effective, accountable and transparent institutions.	Right to Information Act, 2005		
37.	16.7- Ensure responsive, inclusive, participatory and representative decision-making at all levels.	Panchayati Raj Act, PESA		
38.	16.10 - Ensure Public access to information and protect fundamental freedom	Right to Information Act, 2005		

## Annexure 6 List of Government Schemes which do not apply to any SDG Target

S.No	Department	Name of Scheme
1.	AHD+Dairy Dev	Atihimeekrit Veerya Utpaadan Kendra (Rajya Yojana) (SSS)
2.	AHD+Dairy Dev	Khurpaka Mahupaka Rog Niyantran Karyakram (F.M.D.- C.P.) 100 Pratishat Kendra Poshit (CSS)
3.	AHD+Dairy Dev	Rinderpest irrigation Program – 100 Pratishat Kendra Poshit (CSS)
4.	AHD+Dairy Dev	Pashu Rogo Ke Niyantran hetu Rajyo Ko Sahayta 75 Pratishat Kendra Poshit (JSS)
5.	AHD+Dairy Dev	U.P. Veterinary Council Ki Sthapna 50 Pratshit Kendra Poshit (JSS)
6.	AHD+Dairy Dev	Pashudhan Utpadan Tatha Prabandh Saankhyakeey Addhyan Tatha Shodh Karya (50 Pratishat Kendra Poshit) (JSS)
7.	AHD+Dairy Dev	Sukar Prashikshan Kendra Evam Diagnostic Prayogshala Aligarh Sudhikaran (Rajya Yojana)
8.	AHD+Dairy Dev	Dugdha Vikas Karya hetu Gramin Awasthapana Suvidha (Automatic Milk Collection Unit Va Milk Cooler Ki Sthapna (SSS)

9.	AHD+Dairy Dev	Dugdh Sandho /Samitiyon ke Sudrdheekaran, Purnagathan Evam Vistaar (Zila Yojana) ) (DSS)
10.	AHD+Dairy Dev	Mini Kamdhenu
11.	AHD+Dairy Dev	Micro Kamdhenu
12.	Animal Husba	Dairy Scheme
13.	DSW	Mukhmantri Samuhik Vivah Yojan
14.	DPR	Mukhya Mantri Panchayat Protsahan Puruskar Yojana
15.	DPR	Panchayati Raj Prashikshan Sansthan Prit (PRIT)
16.	WCD	Pati Ki Mrityuparant Nirashrit Mahila Ki Putri Se Vivah hetu Anudaan Yojana (SSS)
17.	WCD	Kamkaji Mahila Yojna
18.	WCD	Child Helpline
19.	WCD	Gharelu Hinsa se Mahilaon ka Sanrakshan

Annexure 8: List of Departments that do not function at the District Level

- 1) Administrative Reforms
- 2) Appointment & Personnel
- 3) Backward Welfare
- 4) Civil Aviation
- 5) Commercial Tax
- 6) Cooperative
- 7) Coordination
- 8) Culture
- 9) Dharmarth
- 10) Election
- 11) Entertainment Tax
- 12) Excise
- 13) Estate
- 14) External Aided Project
- 15) Finance
- 16) General Administration
- 17) Handloom
- 18) Home Guards
- 19) Information & Public Relations
- 20) Information Technology & Electronics
- 21) Language
- 22) Law
- 23) Land Development & Water Resources
- 24) National Integration
- 25) Parliamentary Affairs
- 26) Planning
- 27) Political Pension
- 28) Prisons Administration & Reform Services

- 29) Program Implementation
- 30) Protocol
- 31) Public Enterprises
- 32) Revenue
- 33) Rural Engineering Department
- 34) Sanik Kalyan
- 35) Secretariat Administration
- 36) Sericulture
- 37) Samgra Gram Vikas Vibhag
- 38) Sports
- 39) Tourism
- 40) Transport
- 41) Urban Development
- 42) Urban Employment & Poverty Alleviation
- 43) Vidhai
- 44) Stamp and Registration
- 45) U.P. Reorganisation & Coordination
- 46) Vigilance
- 47) Youth Welfare

DRAFT NOT FOR CIRCULATION

Annexure 9: List of Scheme for which data is available

Name of Scheme	Department Name	Type of Data
1-Ganna Vikas ki Yojna (District Plan) (SSS)	Department of Cane Development & Sugar Industry	Districtwise
1.a-Foundation nursery seed distribution Program, (Uttansheel Ganna Beej Utpadan/Vitaran Karykram)	Department of Cane Development & Sugar Industry	Districtwise
1.b-Primary nursery seed distribution Program (Uttansheel Ganna Beej Utpadan/Vitaran Karykram)	Department of Cane Development & Sugar Industry	Districtwise
1.c-Breeder Seed Transportation Program (Jav, Urvark,Varmi Compost Evam Ganna Beej Yatayat)	Department of Cane Development & Sugar Industry	Districtwise
1.d-Foundation seed transportation Program ((Jav, Urvark,Varmi Compost Evam Ganna Beej Yatayat)	Department of Cane Development & Sugar Industry	Districtwise
1.e-Seed/Soil treatment Program (Beej Evam Boomi Upchar Karyakram)	Department of Cane Development & Sugar Industry	Districtwise
1.f-Ratoon Management Program (Paudi Prabandh Karyakram)	Department of Cane Development & Sugar Industry	Districtwise
1.g-Use of Biofertilizer/Vermi Compost Program	Department of Cane Development & Sugar Industry	Districtwise
1.h-Antar Gramin Sadko Ka Nirman	Department of Cane Development & Sugar Industry	Districtwise
Chhatravriti Yojana (SSS)	Social Welfare	Beneficiary Level
Vriddhavastha/Kisan Pension Yojana (SSS)	Social Welfare	Beneficiary Level

**Annexure 10: SDG Targets with Demarcation**

<b>Access to Essential Services</b>
<b>Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture.</b>
2.1 By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round
2.2 By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons
<b>Goal 3: Ensure healthy lives and promote well being for all at all ages</b>
3.1 By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births
3.2 By 2030, end preventable deaths of newborns and children under 5 years of age, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under-5 mortality to at least as low as 25 per 1,000 live births
3.3 By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases
3.4 By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being
3.5 Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol
3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents
3.7 By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes

3.8 Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all
3.9 By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination
<b>Goal 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.</b>
4.1 By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and Goal-4 effective learning outcomes
4.2 By 2030, ensure that all girls and boys have access to quality early childhood development, care and preprimary education so that they are ready for primary education
4.3 By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university
<b>Goal 6: Ensure availability and sustainable management of water and sanitation for all</b>
6.1 By 2030, achieve universal and equitable access to safe and affordable drinking water for all
6.2 By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations
6.3 By 2030, improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally
6.4 By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity
6.5 By 2030, implement integrated water resources management at all levels, including through transboundary cooperation as appropriate
6.b Support and strengthen the participation of local communities in improving water and sanitation management
<b>Goal 7: Ensure access to affordable, reliable, sustainable and modern energy for all.</b>
7.1 By 2030, ensure universal access to affordable, reliable and modern energy services
7.2 By 2030, increase substantially the share of renewable energy in the global energy mix
7.b By 2030, expand infrastructure and upgrade technology for supplying modern and sustainable energy services for all in developing countries, in particular least developed countries, small island developing States, and land-locked developing countries, in accordance with their respective programmes of support
<b>Goal 9: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation</b>
9.c Significantly increase access to information and communications technology and strive to provide universal and affordable access to the Internet in least developed countries by 2020
<b>Goal 11: Make cities and human settlements inclusive, safe, resilient and sustainable.</b>
11.1 By 2030, ensure access for all to adequate, safe and affordable housing and basic services and upgrade slums

11.2 By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons
11.3 By 2030, enhance inclusive and sustainable urbanization and capacity for participatory, integrated and sustainable human settlement planning and management in all countries
11.5 By 2030, significantly reduce the number of deaths and the number of people affected and substantially decrease the direct economic losses relative to global gross domestic product caused by disasters, including water-related disasters, with a focus on protecting the poor and people in vulnerable situations
11.7 By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities

<b>Conservation, Environment &amp; Sustainability</b>
<b>Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture.</b>
2.4 By 2030, ensure sustainable food production systems and implement resilient agricultural practices that increase productivity and production, that help maintain ecosystems, that strengthen capacity for adaptation to climate change, extreme weather, drought, flooding and other disasters and that progressively improve land and soil quality
2.5 By 2020, maintain the genetic diversity of seeds, cultivated plants and farmed and domesticated animals and their related wild species, including through soundly managed and diversified seed and plant banks at the national, regional and international levels, and promote access to and fair and equitable sharing of benefits arising from the utilization of genetic resources and associated traditional knowledge, as internationally agreed
<b>Goal 6: Ensure availability and sustainable management of water and sanitation for all</b>
6.6 By 2020, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes
<b>Goal 11: Make cities and human settlements inclusive, safe, resilient and sustainable.</b>
11.6 By 2030, reduce the adverse per capita environmental impact of cities, including by paying special attention to air quality and municipal and other waste management
11.a Support positive economic, social and environmental links between urban, peri-urban and rural areas by strengthening national and regional development planning
<b>Goal 12: Ensure sustainable consumption and production patterns</b>

12.2-By 2030, achieve the sustainable management and efficient use of natural resources
12.4-By 2020, achieve the environmentally sound management of chemicals and all wastes throughout their life cycle, in accordance with agreed international frameworks, and significantly reduce their release to air, water and soil in order to minimize their adverse impacts on human health and the environment
12.5-By 2030, substantially reduce waste generation through prevention, reduction, recycling and reuse
12.8-By 2030, ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature
<b>Goal 13: Take urgent action to combat climate change and its impacts.</b>
13.1 Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries
13.3 Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning
<b>Goal 15: Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss.</b>
15.1 By 2020, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements
15.2 By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally
15.3 By 2030, combat desertification, restore degraded land and soil, including land affected by desertification, drought and floods, and strive to achieve a land degradation-neutral world
15.5 Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species
15.6 Promote fair and equitable sharing of the benefits arising from the utilization of genetic resources and promote appropriate access to such resources, as internationally agreed
15.7 Take urgent action to end poaching and trafficking of protected species of flora and fauna and address both demand and supply of illegal wildlife products
15.8 By 2020, introduce measures to prevent the introduction and significantly reduce the impact of invasive alien species on land and water ecosystems and control or eradicate the priority species
15.9 By 2020, integrate ecosystem and biodiversity values into national and local planning, development processes, poverty reduction strategies and accounts

15.a Mobilize and significantly increase financial resources from all sources to conserve and sustainably use biodiversity and ecosystems
15.b Mobilize significant resources from all sources and at all levels to finance sustainable forest management and provide adequate incentives to developing countries to advance such management, including for conservation and reforestation

<b>Equity &amp; Fairness</b>
<b>Goal 1: End poverty in all its forms everywhere.</b>
1.4 By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance
<b>Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture.</b>
2.5 By 2020, maintain the genetic diversity of seeds, cultivated plants and farmed and domesticated animals and their related wild species, including through soundly managed and diversified seed and plant banks at the national, regional and international levels, and promote access to and fair and equitable sharing of benefits arising from the utilization of genetic resources and associated traditional knowledge, as internationally agreed
<b>Goal 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.</b>
4.1 By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and Goal-4 effective learning outcomes
4.2 By 2030, ensure that all girls and boys have access to quality early childhood development, care and preprimary education so that they are ready for primary education

4.3 By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university
4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship
4.5 By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations
4.6 By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy
4.7 By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development
4.a Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, nonviolent, inclusive and effective learning environments for all
<b>Goal 5: Achieve gender equality and empower all women and girls</b>
5.1 End all forms of discrimination against all women and girls everywhere
5.2 Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation
5.3 Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation
5.4 Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate
5.5 Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life
5.6 Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the outcome documents of their review conferences
5.a Undertake reforms to give women equal rights to economic resources, as well as access to ownership and control over land and other forms of property, financial services, inheritance and natural resources, in accordance with national laws
5.b Enhance the use of enabling technology, in particular information and communications technology, to promote the empowerment of women
5.c Adopt and strengthen sound policies and enforceable legislation for the promotion of gender equality and the empowerment of all women and girls at all levels

<b>Goal 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all</b>
8.5 By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value
8.7 Take immediate and effective measures to eradicate forced labour, end modern slavery and human trafficking and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms
8.8 Protect labour rights and promote safe and secure working environments for all workers, including migrant workers, in particular women migrants, and those in precarious employment
<b>Goal 10: Reduce inequality within and among countries.</b>
10.1 By 2030, progressively achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average
10.2 By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status
10.4 Adopt policies, especially fiscal, wage and social protection policies, and progressively achieve greater equality
<b>Goal 16: Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels</b>
16.1-Significantly reduce all forms of violence and related death rates everywhere
16.2-End abuse, exploitation, trafficking and all forms of violence against and torture of children
16.4-By 2030, significantly reduce illicit financial and arms flows, strengthen the recovery and return of stolen assets and combat all forms of organized crime
16.5-Substantially reduce corruption and bribery in all their forms
16.6-Develop effective, accountable and transparent institutions at all levels
16.7-Ensure responsive, inclusive, participatory and representative decision-making at all levels
16.9-By 2030, provide legal identity for all, including birth registration
16.10-Ensure public access to information and protect fundamental freedoms, in accordance with national legislation and international agreements
16.b-Promote and enforce non-discriminatory laws and policies for sustainable development

<b>Economic and Social wellbeing</b>
--------------------------------------

<b>Goal 1: End poverty in all its forms everywhere.</b>
1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day
1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions
1.3 Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable
1.5 By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters
<b>Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture.</b>
2.3 By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment
<b>Goal 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all</b>
8.2 Achieve higher levels of economic productivity through diversification, technological upgrading and innovation, including through a focus on high-value added and labour-intensive sectors
8.3 Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises, including through access to financial services
8.5 By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value
8.6 By 2020, substantially reduce the proportion of youth not in employment, education or training
8.9 By 2030, devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products
8.10 Strengthen the capacity of domestic financial institutions to encourage and expand access to banking, insurance and financial services for all
<b>Goal 9: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation</b>
9.1 Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all
9.3 Increase the access of small-scale industrial and other enterprises, in particular in developing countries, to financial services, including affordable credit, and their integration into value chains and markets
9.4 By 2030, upgrade infrastructure and retrofit industries to make them sustainable, with increased resource-use efficiency and greater adoption of clean and environmentally sound technologies and industrial processes, with all countries taking action in accordance with their respective capabilities

9.b Support domestic technology development, research and innovation in developing countries, including by ensuring a conducive policy environment for, inter alia, industrial diversification and value addition to commodities

# Department Wise SDG Targets and Government Schemes Alignment and Gap Analysis Moradabad

INDEX			
	Target as per UP document		Schemes not contributing to any targets
	Target added by us		Schemes not working in Pilibhit
	Target deleted by us but given in UP document		Schemes contributing according to UP Govt however we think they are not contributing

				Social Welfare

SDG 4: Quality Education	4.6 : By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy	4.6.1 : Literacy rate of youth in the age group of 15-24 years.		Scheme for Construction of hostels for SCs (CSS)
--------------------------------	--	---	--	--

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes		
				Social Welfare	Secondary Education	Basic Education
SDG 4: Quality Education	4.a : Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, non-violent, inclusive and effective learning environments for all	4.a.1 : Proportion of schools with access to: (a) electricity; (b) computers for pedagogical purposes; (c) adapted infrastructure and materials for students with disabilities/ disabled friendly ramp and toilets; (d) basic drinking water; (e) single-sex		Scheme for Construction of hostels for SCs (CSS)	Rastriya Madhyamik Siksha Abhiyan,  Model School  Kasturba Girls Hostel Scheme	Sarva Shiksha Abhiyan

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Women & Child Development

SDG 5: Gender Equality	5.1 : End all forms of discrimination against all women and girls everywhere	5.1.1 : Rate of crimes against women per every 1,00,000 female population 5.1.2 : Proportion of women subjected to dowry related offences to total crime against women 5.1.3 : Sex Ratio at Birth 5.1.4 : Whether or not legal framework are in place to promote, enforce and monitor equality and non-discrimination on the basis of sex.	Child Sex Ratio (0-6 years)  No. of gender based violence cases reported (Cases under- Dowry Prohibition Act Domestic Abuse Act Immoral Traffic Prevention Act Indian Penal Code)  Gender Wage Gap	Widow Pension (SSS)  Establishment of Rani Lakshmbai Women and Child Resource Fund- (SSS)  Financial aid scheme for women suffering from dowry
------------------------------	--	---	--	--

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Women & Child Development
SDG 5: Gender Equality	5.2 : Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation	5.2.1 : Proportion of crime against women to total crime reported in the country during the calendar year 5.2.2 : Proportion of sexual crimes against women to total crime against women during the calendar year		Establishment of Rani Lakshmbai Women and Child Resource Fund- (SSS)  Financial aid scheme for women suffering from dowry (SSS)  181 Women Helpline (CSS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Social Welfare
SDG 5: Gender Equality	5.3 : Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation	5.3.1 : Proportion of cases reported under the Prohibition of Child Marriage Act (early marriage of children below 18 years of age) to total crime against children. 5.3.2 : Proportion of women aged 20-24 years who were married or in a union before age 18		181 Women Helpline (CSS)

Goals	Target	National Indicators	Uttar Pradesh state Indicators	Department Wise Schemes
				Social Welfare
SDG 5: Gender Equality	5.4 : Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate	5.4.1 : Proportion of time spent on unpaid domestic and care work.		National Family Benefit Scheme (JSS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Health & Family Welfare
SDG 5: Gender Equality	5.6 : Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the outcome documents of their review conferences	5.6.1 : Percentage of currently married women (15-49 years) who use any modern family planning methods 5.6.2 : Unmet need for family planning for currently married women aged 15-49 years 5.6.3 : Proportion of population aged 15-24 years with comprehensive correct knowledge of HIV / AIDS	%age of women using modern method of planning	State Innovations in Family Planning Services Project Agency (SIFPSA) (CSS+ESS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Rural Development
SDG 6: Clean Water and Sanitation	6.1 : By 2030, achieve universal and equitable access to safe and affordable drinking water for all	6.1.1 : Percentage of population having safe and adequate drinking water within their premises. 6.1.2 : Percentage of population using an improved drinking water source(Rural)	Prop. of rural habitations fully covered with drinking water supply	National Rural Drinking Water Programme (NRDWP)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Panchayati Raj
			%of workforce in manual scavenging	Swachh Bharat Mission

SDG 6: Clean Water and Sanitation	6.2 : By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations	6.2.1 : Proportion of households having access to toilet facility (Urban & Rural) 6.2.2 : Percentage of Districts achieving Open Defecation Free (ODF) target 6.2.3 : Proportion of schools with separate toilet facility for girls	%age of households covered by IHHL (rural)	Gram Panchayat Development Programme (G.P.D.P)  Sanitary Napkin  Swachh Gram
--------------------------------------	---	---	--	--

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes	
				Ground Water & Minor Irrigation	Rural Development
SDG 6: Clean Water and Sanitation	6.4 : By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water	6.4.1 : Percentage ground water withdrawal against availability 6.4.2 : Per capita storage of water(m3/person) 6.4.3 : Per capita availability of water (m3/person)		Development of Ground Water Estimation and Strengthening of Groundwater Survey (SSS) Aquaifer mapping and parameter test on groundwater sources (SSS) Monitoring and Mapping of Quality of Groundwater Resources(SSS) Ground water awareness and publicity(SSS)	National Rural Drinking Water Programme (NRDWP)

	scarcity and substantially reduce the number of people suffering from water scarcity			Nishluk Boring Scheme (SSS) Medium Deep Tubewell Scheme (SSS) Deep Tubewell Scheme (SSS) Dr. Ram Manohar Lohia Group Tubewell Scheme (SSS) Establishment of Regional Ground Water Hub (SSS)	
--	--	--	--	---	--

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Ground Water & Minor Irrigation
SDG 6: Clean Water and Sanitation	6.6 : By 2020, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes	6.6.1 : Area under over-exploited blocks 6.6.2 : Percentage sewage load treated in major rivers 6.6.3 : Biological assessment information of surface water bodies.		Check dam construction plans for rainwater harvesting / use and ground water recharge (SSS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Drinking Water & Sanitation
SDG 6: Clean Water and Sanitation	6.b : Support and strengthen the participation of local communities in improving water and sanitation management	6.b.1 : Proportion of villages with village water and sanitation committee		Swachh Bharat Mission

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes	
				Labour	Energy and Additional Energy
SDG 7: Affordable and Clean Energy	7.1 : By 2030, ensure universal access to affordable, reliable and modern energy services	7.1.1 : Percentage of households electrified 7.1.2 : Percentage of household using clean cooking fuel	% of HH electrified  Total LED distributed  No. of villages electrified	Solar energy assistance scheme (SSS)	Solar Energy Program  Energy Conservation Program  Village Electrification Program  Power (2015) Electrification of the remaining 20,000 Villages including off grid solar power by 2020

Goals	Target		Uttar Pradesh State Indicators	Department Wise Schemes
-------	--------	--	--------------------------------	-------------------------

		<b>National Indicators</b>		<b>Labour</b>	<b>Energy and Additional Energy</b>
SDG 7: Affordable and Clean Energy	7.2 : By 2030, increase substantially the share of renewable energy in the global energy mix	7.2.1 : Renewable energy share in the total final energy mix	Renewable energy-share in the total final energy mix  Circuit km of transmission line constructed	Solar energy assistance scheme (SSS)	Solar Energy Program Energy Conservation Program  Village Electrification Program  Power (2015) Electrification of the remaining 20,000 Villages including off grid solar power by 2020

<b>Goals</b>	<b>Target</b>	<b>National Indicators</b>	<b>Uttar Pradesh State Indicators</b>	<b>Department Wise Schemes</b>
				<b>Industry</b>
SDG 8: Decent Work and Economic Growth	8.2 : Achieve higher levels of economic productivity through diversification, technological upgrading and innovation, including through a focus on high-value added and labour-intensive sectors	8.2.1 : Annual growth rate of GDP per employed person 8.2.2 : Total number of patents issued 8.2.3 : Annual growth in manufacturing sector 8.2.4 : Annual growth in agriculture sector	Annual growth in manufacturing sector	Industrial Investment Promotion Scheme (SSS)  Technology Upgradation Scheme for Uttar Pradesh Small & Medium Scale Industries

<b>Goals</b>	<b>Target</b>	<b>National Indicators</b>	<b>Uttar Pradesh State Indicators</b>	<b>Department Wise Schemes</b>		
				<b>Industry</b>	<b>Rural Development</b>	<b>Panchayati Raj</b>

<p>SDG 8: Decent Work and Economic Growth</p>	<p>8.3 : Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises, including through access to financial services</p>	<p>8.3.1 : Proportion of unorganized employment in non-agricultural sectors 8.3.2 : Coverage under ESI and EPS 8.3.3 : Coverage of NPS 8.3.4 : No. of MSME units registered under the online Udyog Aadhaar registration. 8.3.5 : Number of start-ups recognized under Start-up India 8.3.6 : Total number of patents issued. 8.3.7 : Growth of Registered Micro, Small and Medium Size Enterprises 8.3.8 : Total loans outstanding to micro, small and medium enterprises 8.3.9 : Outstanding Credit to Micro, Small and Medium Enterprises</p>	<p>%age of HH getting wage employment under MGNREGA  %age employment in MSME; No. of Labour Identification nos. allotted</p>	<p>PMEGP SCHEME (Prime Minister’s Employment Generation Programme) [CSS]  One District-One Product (SSS)</p>	<p>Mahatma Gandhi National Rural Employment Guarantee Scheme (CSS)</p>	<p>Rajeev Gandhi Panchayat Sashktikaran Abhiyan (RGPSA)</p>

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes	
				Rural Development	Cane Development

SDG 9: Industry, Innovation and Infrastructure	9.1 : Develop quality, reliable, sustainable and resilient infrastructure, including regional and trans-border infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all	9.1.1 : Proportion of the rural population who live within 2 km of an all-season road 9.1.2 : Passenger and freight volumes, by mode of transport 9.1.3 : Gross Capital Formation by industry of use.	Km. Constructed  No. of villages connected by all-weather roads	Pradhan Mantri Gram Sadak Yojana (CSS)	Inter Village Road Development
--	--	---	---	--	--------------------------------

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Industry
SDG 9: Industry, Innovation and Infrastructure	9.3 : Increase the access of small-scale industrial and other enterprises, in particular in developing countries, to financial services, including affordable credit, and their integration into value chains and markets	9.3.1 : Share of Household sector in total industry value added 9.3.2 : Percentage/ Proportion of Credit Flow to MSMEs (as a Percentage of Total Adjusted Net Bank Credit)		Industry Infrastructure Development Promotion Scheme (SSS)(Workshop)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Industry
SDG 9: Industry, Innovation and Infrastructure	9.4 : By 2030, upgrade infrastructure and retrofit industries to make them sustainable, with increased resource-use efficiency and greater adoption of clean and environmentally sound technologies and industrial processes, with all countries taking action in accordance with their respective capabilities	9.4.1 : CO2 equivalent emission per unit of value added 9.4.2 : Energy use intensity of manufacturing value added.		Industry Infrastructure Development Promotion Scheme (SSS)(Workshop)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Industry
SDG 10: Reduced Inequalities	10.1 By 2030, progressively achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average	10.1.1 : Growth rates of household expenditure per capita among the bottom 40 per cent of the population and the total population	Household Income, Household Expenditure(NSSO)	Mahatama Gandhi National Rural Employment Gaurantee Scheme (CSS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
-------	--------	---------------------	--------------------------------	-------------------------

				<b>Labour</b>
SDG 10: Reduced Inequalities	10.2 : By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status	10.2.1 : Proportion of people living below 50 per cent of median household expenditure 10.2.2 : Proportion of seats held by women in national Parliament, State Legislation and Local Self Government 10.2.3 : Proportion of persons from vulnerable groups in elected bodies.		Pension Scheme (SSS)  Disability Pension Scheme (SSS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes				
				Fisheries	Rural Development	Labour	MDA	Social Welfare
SDG 11: Sustainable Cities and Communities	11.1 : By 2030, ensure access for all to adequate, safe and affordable housing and basic services and upgrade slums	11.1.1 : Percentage of Slums/Economically Weaker Sections (EWS) households covered through formal/affordable housing. 11.1.2 : Percentage of Slum Area Covered with basic Services 11.1.3 : Proportion of Urban Population Living in Slums, informal Settlements or Inadequate Housing	% age HH covered in urban areas  %age of slum areas covered	Fishermen Housing Scheme (CSS)	Pradhan Mantri Awas Yojana [Gramin] (CSS)	Construction Workers Housing Assistance Scheme	State Urban Housing & Habitat Policy (2013) (SSS)  Naya Moradabad- (1-16+ Other)	Maintenance of urban shantis

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Rural Development
SDG 11: Sustainable Cities and Communities	11.2 : By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons	11.2.1 : Proportion of cities with efficient urban mobility and public transport		Pradhan Mantri Gram Sadak Yojana (CSS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Panchayati Raaj
SDG 11: Sustainable Cities and Communities	11.3 : By 2030, enhance inclusive and sustainable urbanization and capacity for participatory, integrated and sustainable human settlement planning and management in all countries	11.3.1 : Proportion of cities with integrated development plans. 11.3.2 : Share of Mixed Land Use Area in overall city land use 11.3.3 : Net Density		Rajiv Gandhi Panchayat Sashaktikaran Abhiyan (RGPSA)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Rural Development
SDG 11: Sustainable Cities and Communities	11.7 : By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities	11.7.1 : Per Capita Availability of Green Spaces		Pradhan Mantri Adarsh Gram Yojana (PMAGY)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
				Forest
SDG 15: Life on Land	15.2 : By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally	15.2.1 : Percentage change in Forest Area coverage 15.2.2 : Total area covered under different afforestation schemes 15.2.3 : Total tree cover achieved outside forest area 15.2.4 : Number of Nagarvans and School Nurseries created.	Total area covered under afforestation  Total tree cover achieved outside forest area	Social Forestry (SSS)  Social forestry in urban areas (SSS)  Green belt development scheme (SSS)

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes	
				Agriculture & Horticulture	Cane Development
SDG 15: Life on Land	15.3 : By 2030, combat desertification, restore degraded land and soil, including land affected by desertification, drought and floods, and strive to achieve a land degradation-neutral world	15.3.1 : Percentage of degraded area restored. 15.3.2 : Increasing Tree / forest cover in degraded area 15.3.3 : Percentage increase in net sown area	Increasing Tree / forest cover in degraded area  No. of soil health card tested	Strengthening Soil Health	Seed/Soil treatment Program

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes	
				Forest	
SDG 15: Life on Land	15.8 : By 2020, introduce measures to prevent the introduction and significantly reduce the impact of invasive alien species on land and water ecosystems and control or eradicate the priority species	15.8.1 : Percentage change in prevention and control of invasive alien species		1. Social Forestry (SSS)  Social forestry in urban areas (SSS)  Green belt development scheme (SSS)	

Goals	Target	National Indicators	Uttar Pradesh State Indicators	Department Wise Schemes
-------	--------	---------------------	--------------------------------	-------------------------

				<b>Women &amp; Child Development</b>
SDG 16: Peace, Justice and Strong Institutions	16.2 : End abuse, exploitation, trafficking and all forms of violence against and torture of children	16.2.1 : Number of victims of human trafficking per 100,000 population, by sex, age and form of exploitation 16.2.2 : Proportion of Crime Committed against Children during the year(Per lakh children) 16.2.3 : Number of Missing Children		Integrated Child Protection Scheme (ICPS) & ICDS (CSS)

<b>Goals</b>	<b>Target</b>	<b>National Indicators</b>	<b>Uttar Pradesh State Indicators</b>	<b>Department Wise Schemes</b>
				<b>Health &amp; Family Welfare</b>
SDG 16: Peace, Justice and Strong Institutions	16.9 : By 2030, provide legal identity for all, including birth registration	16.9.1 :Percentage of births registered 16.9.2 : Proportion of population covered under Aadhaar		Birth & Death Control Program (SSS)

<b>Goals</b>	<b>Target</b>	<b>National Indicators</b>	<b>Uttar Pradesh State Indicators</b>	<b>Department Wise Schemes</b>
--------------	---------------	----------------------------	---------------------------------------	--------------------------------

				<b>Social Welfare</b>
SDG 16: Peace, Justice and Strong Institutions	16.b : Promote and enforce non- discriminatory laws and policies for sustainable development	National Indicator not yet evolved		Financial Assistance for the Prevention of Atrocities (SSS)
